# WELCOME

On behalf of Atlas Events, we thank all our supporters, volunteers, and partners for making this event possible.

The Hobart Airport Marathon Festival is gearing up for a spectacular third edition, with record-breaking numbers expected at the event. With over 2500 participants anticipated, including a significant contingent of 1000 attendees traveling from interstate, this year's festival promises to be the biggest yet.

The festival's success can be attributed not only to its growing popularity but also to the ideal running conditions and breathtaking course. Participants can expect to traverse a picturesque route, featuring stunning views of Hobart's iconic landmarks, including Constitution Dock, the Derwent River, and Salamanca Wharves. The combination of scenic beauty and an exceptional venue at Constitution Dock creates an unforgettable finish experience for all involved.

As the countdown to the festival begins, there is a growing excitement among participants, volunteers, and spectators alike. Whether aiming for a personal best or soaking in the vibrant atmosphere, the Hobart Airport Marathon Festival promises an unforgettable experience for all involved.

# WELCOME

Welcome to the Hobart Airport Marathon, a unique inner-city race along Hobart's iconic waterfront and streets, all steeped in history.

Hobart Airport is the major gateway to Tasmania, and our mission in Connecting Communities is to contribute to the success of the tourism, freight and local business sectors and the opportunities they deliver for our community.

Right now, we're embarking on a transformation of our airport to support Tasmania's growth and meet the demand from the millions of passengers who pass through our doors each year. Every day we're one step closer to the finish line and making tomorrow's Tasmania possible.

This weekend, whether you're a local or a visitor, I encourage you to explore and immerse yourself in everything that Hobart has to offer, from its rich history to the exquisite dining, charming markets, wineries and more, all nestled in our unique Tasmanian landscape. And best wishes for the race, whether you're competing in the full marathon or taking a gentle stroll in the 5km walk.

# WELCOME

## **Welcome to nipaluna/Hobart and our wonderful state of Tasmania for the 2024 Hobart Airport Marathon.**

Events like this are a huge boost to local businesses, attracting visitors from around the state and the country who fill hotels, cafes and restaurants and support and inspire our community. You will disperse across our region and take away memories of truly Tasmanian experiences, whether it be the caves and Thermal Springs at Hastings in the Far South, a cruise to look for whales at Bruny Island or the Tasman or a leisurely exploration of the world's finest whiskies and gins, I know you will have a great time.

This important event will showcase the beauty of the working port of nipaluna/Hobart as the course snakes around the waterfront and rises up high to showcase the incredible view down the Derwent Estuary to Bruny Island. All of this framed by kunanyi/Mount Wellington which hides the Huon Valley and Southwest Wilderness, right on our doorstep.

While you are here, I encourage you to experience everything our vibrant, contemporary city has to offer. Spend time in the historic districts of Salamanca sampling some of Tasmania's greatest food and beverage offerings. Your welcome will be warm from your Tasmanian hosts. Take the ferry to MONA for an experience like no other.

I would encourage you to extend your stay with visits to the beautiful Tasman Peninsula to sample Convict history at Port Arthur as well as exploring the secluded beaches and walks.

Closer to Hobart you will find the Coal River Valley region, a haven of vineyards, cheese, chocolate and shopping at the historic town of Richmond.

Enjoy your time in Tasmania, thank you for coming and good luck to everyone taking part in the event. I will be with you looking to achieve my first half marathon and I can't wait to celebrate with you at the finish line.
